**Financial Report:** None

**Current Business:** *Positively Pomfret Day*—the weather turned out good and we all worked together to have this successful event. Thanks to all you for your help. Received good reports on the rides and most vendors were happy. Possibly having band and other entertainment on soccer field. We made a profit of approx. \$2700. Our biggest problem was a resident of Pomfret who was bitten by a puppy from the New England Breeders Assoc. The family is first suing the Town and then the NE Breeders. The *YMCA Certificate* for One Year Family Membership that we received as a donation for Positively Pomfret will be held for next year's event. This date will be Sep. 22, 2012.

PCS has a "*pay to play*" policy of \$25 for each child per school sport. Hopefully that will not affect our programs with Pomfret students.

*Friday Night Basketball* starts Nov. 18<sup>th</sup> for 3<sup>rd</sup> to 6<sup>th</sup> graders—cost \$25. *Men's Monday Night Basketball* started Oct. 3<sup>rd</sup>—cost \$25.00. *Trip to NYC*—Nov. 26<sup>th</sup>—Cost \$44. Sightseeing on your own. Only have 8 signed up so far. We are doing this trip on our own.

The Basketball courts at *the Recreation Park* are completed and Tennis courts are almost done. The Volleyball courts will be finished next year.

Our next meeting is scheduled for Nov. 8<sup>th</sup> at PCS Teacher's Lounge at 7:00pm.
