Dear Pomfret Civic Group,

As many of you know, the Pomfret Recreation Commission organizes a day of old fashioned fun and community activity which is called "Positively Pomfret Day". This is an all day event and hopefully will take place outdoors at the Recreation Park on

**Saturday, September 25, 2010 from 10:00 a.m. to 4:00 p.m.**

If it rains, our back up location is the Pomfret School Field House Building. There will be a variety of music, games, inflatables and lots of food (no alcohol). We respectfully request that political candidates refrain from active campaigning.

We are a small group trying to organize a big event, your enthusiasm and cooperation is important to us. We would like to have your help, ideas and support.

Your civic group booth will not be charged to have a space at the event. Vendors that are "for profit" will be charged a fee to have a table/booth at the event. Please keep in mind that electricity will most likely not be available. In lieu of your fee, and to have more activity during the day, we are asking each civic organization which is participating to sign up for organizing a free activity which people can participate in or enjoy watching. We have set up a schedule, which is attached. Please indicate a time slot, or slots, your group wishes to fill. Also, at the end of the page is a list of suggested activities. Please choose one or more, and let me know of your choice and a second choice in case another group has already picked your first choice. *Of course, you may come up with an activity of your own which is not on our list.*

Please fill out the attached form so that we will be aware of what you are planning to sell so that we don't have two groups selling the same item. **You will need to bring your own tables, chairs or any other supplies you'll need for your set up.** You and your organization are essential to a successful Positively Pomfret Day. We have high hopes for a great community event with the assistance of all our community organizations.

Thanks and please feel free to call me at with any questions, suggestions, etc.

Sincerely,

Barbara C. Gagnon  
Recreation Director
